

CENTRE FOR NEUROMUSCULAR DISEASE

The National Hospital for Neurology and Neurosurgery
Queen Square, London WC1N 3BG
Tel: 0845 155 5000

Chief Investigator: Professor Michael G Hanna
Name of Principal Investigator: Professor Michael G Hanna
REC reference number: 07/Q0512/26
UCLH Project ID Number: 07/N018
Form version: 9.4
Date: 7th February 2017

Participant Identification Number for this study:

CONSENT FORM

Title of project: Investigation of human neurological ion channel and episodic neurological disorders

Please initial box

1. I confirm that I have read and understood the information sheet dated 07/02/2017 (version 9.2) for the above study and have had the opportunity to ask questions.
2. I confirm that I have had sufficient time to consider whether or not want to be included in the study.
3. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason, without my medical care or legal rights being affected.
4. I understand that sections of any of my medical notes may be looked at by responsible individuals from (company name) or from regulatory authorities where it is relevant to my taking part in research. I give permission for these individuals to have access to my records.
5. I understand that all provided clinical information and tissue samples (e.g. Blood samples, muscle and skin biopsies) will be considered a 'gift' to the National Hospital for Neurology and the Institute of Neurology and may be used in future research projects.
6. I agree that my pictures and videos could be kept by the research team and may be used in subsequent research projects.
7. I agree to my de-identified samples being sent internationally where appropriate for diagnosis
